Chairman, Kevin J. Martin
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Mr. Martin:

I am writing to inform you of our continuous partnership with CBS Radio.

Our mission is to promote the self-empowerment of individuals in the CT Capital Region to achieve educational, occupational and economic equality for themselves and their families.

The League serves 40 towns in North Central Connecticut and beyond. The League has had an ongoing relationship with CBS Radio for many years. CBS Radio promotes our Annual Equal Opportunity Dinner, Annual Black History Awards Celebration, Golf Tournaments and other events here at the Urban League, by allowing the League announce their events over the radio.

In addition, Steve Salhany, Operations Manager of CBS Radio serves on the Urban League's Marketing & Communications Committee and has being extremely instrumental.

Thank you,
